

OSCEOLA COUNTY

Feb. 20, 2013
Revised Aug. 9, 2016

All future entrance construction within the county road right of way shall be as per the following policy:

1. An approved "Entrance Permit" shall be obtained prior to constructing or widening any entrance. This entrance permit will be processed by the County Engineer and approved by the Board of Supervisors. There will be no fee charged for processing this form.
2. Work shall be completed as per instructions on the Entrance Permit Form.
3. The culvert pipe shall be new material (metal or concrete) and must have a minimum length and diameter equal to that given on the entrance permit form. If constructed by the County, the County will pickup and transport the pipe to the project.
4. New entrances and extensions may be constructed by the applicant. The County will construct or extend normal entrances and move entrances for the following amounts:
**** Prices are subject to change pending amount of required fill material and distance to availability of supplies.**

New Entrances and Moving Entrances:

A. Place Pipe and Furnish Dirt Fill, 66' Right of Way	\$700.00
Place Pipe and Furnish Dirt Fill, Over 66' ROW	\$800.00
Place Pipe and Furnish Dirt Fill, Paved Road	\$1000.00
B. Dry Fill, 66" Right of Way	\$600.00
Dry Fill, Over 66' Right of Way	\$700.00
Dry Fill, Paved Road	\$800.00
C. Place and Furnish Rock Surfacing, per load	\$100.00

Extensions:

A. Place Pipe and Furnish Dirt Fill, 20' or less	\$300.00
Place Pipe and Furnish Dirt Fill, 30' or less	\$400.00
Place Pipe and Furnish Dirt Fill, 40' or less	\$500.00
Add \$100 for each additional 10' extension	
Place and Furnish Rock Surfacing, per load	\$100.00

Note: The cost of any pipe used is in addition to above prices

* A \$150 discount on the above prices will be allowed if we can remove an existing driveway on a gravel road within 2 miles of the driveway to be built (\$150 per driveway to be removed)

A \$250 discount on the above prices will be allowed if we can remove an existing driveway on a paved road within 2 miles of the driveway to be built. (\$250 per driveway to be removed)
