

HELP WANTED

Equipment Operator/Sign Technician for the Osceola County Sibley Shop

The Osceola County Engineer's Office will be accepting applications through 4:30 p.m., Feb. 3, 2017, for the above position. Applications may be obtained at the Osceola County Engineer's Office (712-754-2303) or online at www.osceolacoia.org

Emphasis will be placed on those individuals that are detailed oriented, self-motivated learners and have basic computer skills necessary to maintain Osceola County's sign inventory. This individual will also operate heavy road maintenance equipment on an intermittent basis.

The successful applicant must possess or be able to obtain a valid CDL and be able to lift 50 pounds. The position is subject to Federal Drug and Alcohol Testing.

Osceola County is an equal opportunity employer.
